A message from Wakefield Council:

Dear colleagues

We are excited to invite you to the re-launch of our Partnership Network Meetings. These meetings aim to bring together partners who deliver early support, intervention and prevention services in each of the Wakefield Families Together cluster areas. Our collaboration will provide opportunities to network,

join up and promote services to children, young people and families and identify gaps in services that inform future commissioning needs.

I hope that you can join us on **one** of our planned meetings, which will be taking place virtually in the hope that future meetings can be held face to face. Please book a place at a meeting in your local cluster area or a date/time that best suits you:

Monday 11 th October 2021	South East & Normanton & Featherstone Cluster area	3:30pm – 5:00pm
Thursday 14 th October 2021	Wakefield Central, North West and South West Cluster area	3:30pm – 5:00pm

We look forward to seeing you there and developing the partnership together.

Tell Tracy about Policing and Crime

Save the date

Monday 11 October @ 17:30 – 19:00

Hi, we're the Youth Advisory Group, our main role is to advise the Mayor of West Yorkshire, Tracy Brabin, and the Deputy Mayor for Policing and Crime, Alison Lowe, on what young people think about policing and crime.

We'd like to invite you to join an online event with Tracy and Alison to tell them what your policing and community safety priorities are.

Do you feel safe as a young person in your area? Is there a way you could feel safer? Is there a particular issue in your area which is important to you?

Tracy has launched a consultation on her Police and Crime Plan which will set out important priorities and objectives for the Police and Partners over the next 3 years and we want to make sure young people across West Yorkshire have their voice heard and #TellTracy.

If you are aged 13+ and live, work or study in West Yorkshire then why don't you join us for the online event. We also welcome anyone who advocates or works with young people to join us.

Tracy and Alison really want to hear about what matters to you, the event will be held virtually via Microsoft Teams, on Monday 11th October between 17:30 and 19:00. **To register your interest in attending this event, please email:**
consultation.pc@westyorks-ca.gov.uk
