Eligible costs can include:</p> <p>Direct project costs including equipment and kit Staff costs related to the project including apportioned management time Apportioned core costs External monitoring and evaluation of projects Transport Volunteer expenses Small capital expenditure e.g. changing facilities, resurfacing a play area or IT equipment) where a sustainable plan is in place for ongoing upkeep and maintenance.</p>

Please find some information from the weekly funding alert from **Wakefield Council's External Funding Team** which includes both general and a coronavirus related funding opportunity.

We would like to draw particular attention to **The Wakefield Third Sector Covid Response Fund** which launches a second round on the **4th May** and **the Clubs in Crisis Fund** which closes for applications on the **5th May** and which has unfortunately not seen many applications from the Wakefield District, details for both these funds can be found in the image above.

WF Happy Healthy Holidays

School holidays can be a time of increased pressure for some families due to rising costs and reduced incomes. For some children this can lead to a holiday experience gap - with children from disadvantaged families less likely to access organised out-of-school activities.

The WF Happy Healthy Holidays programme aims to reduce inactivity and isolation experienced by many children across the Wakefield district during the school holidays, as well as providing children and families with healthy meals and nutritional education.

Wakefield Council will fund, co-ordinate, and support local delivery by voluntary community organisations, schools and local authority teams via the DfE's Holiday Activities Fund. We will be looking to grant fund providers up to a maximum of £25k (larger projects may be considered) to deliver enriching activities and healthy food to eligible children for at least four weeks during the summer and one week during the Christmas holidays.

Closing date: Thursday 13th May 2021
